

RULE BRITANNIA: PRIME MINISTER BLAIR'S AND CHANCELLOR BROWN'S LEGACY

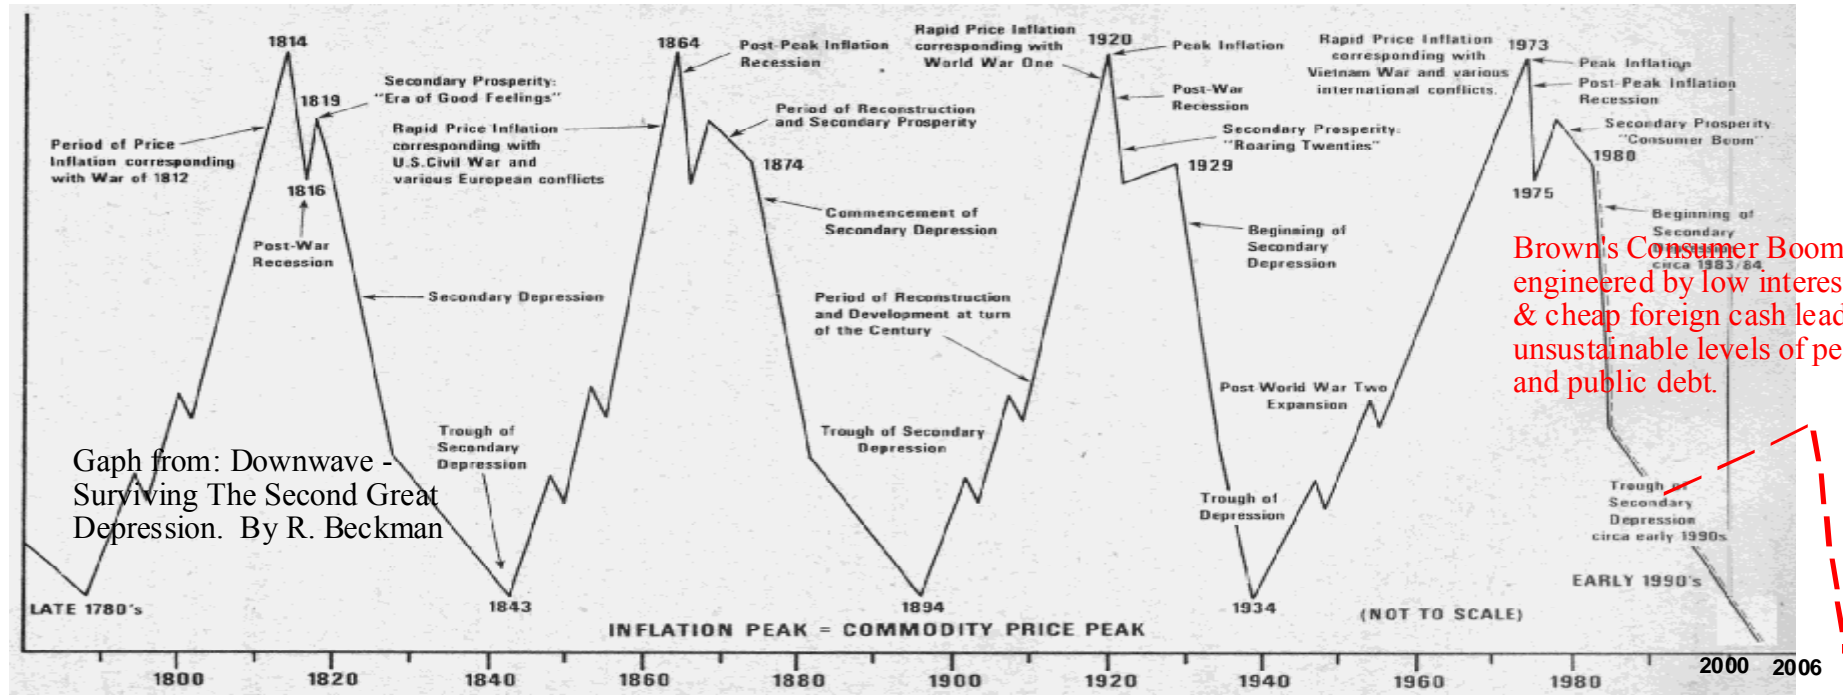

MONEY, PROPERTY, EMPLOYMENT - HOW WILL YOU SURVIVE?

A DEPRESSION NATURALLY OCCURS EVERY 55 YEAR - BELOW: 200 YEARS OF BOOMS AND CRASHES

Public & Government Debt Has Reach an All-time High, the Government Has a Monstrous Black Hole to Fill and the Public Will Have to Borrow

Even More to Pay The Comming Tax Increases. You Don't Need A Brain to Know the Inevitable Abyss is Already on us

We Have Been Lured into Debt by a False Sense of Security & Government Lies. What All of the Experts Would Tell You If Only They Dared? Financial History Repeats Itself. A Period of Deflation Paired with Excessive Speculative Borrowing Causes a Crash. Too Many Civil Servants, Overt Taxation, Atrophied Manufacturing, Too Much Borrowing, Reckless Property Investment, Balance of Payment Deficit. Maintaining the Economy by Creating a Consumer Boom on £1.4trillion of Public Debt This Has Resulted in an Unprecedented Personal Bankruptcies & Increased Redundances. Will You Be Able to Repay Your Debts? Will Your Savings Be Safe Or Will They Be Lost by Bank Rupture?

Gap from: Downwave - Surviving The Second Great Depression. By R. Beckman

FOLLOWING YEARS OF DERELICTION AND NEGLECT OF THE UNITED KINGDOM'S INFRASTRUCTURES & EXTRAVAGANT TAXATION

BREAKDOWN & SOARING COSTS IN: Manufacturing & Employment - Hospital & General Practice, Dental & Mental Health Services - Domicile Medical Care - Nursing Homes - Social Services - Ambulance & Fire Services - Public Health & Safety - Immigration Control - Railway, Aviation, Road Transportation - Industry & Production - Manufacturing - Employment - Shipping & Dock Services - Prison & Judicial Services - Postal & Post Office Services - Gas, Electricity & Oil - Farming & Food - Environmental Safeguards & Planning - Coastal Defenses - Pollution Control - Waste Disposal - Water & Sewerage Services - Housing - Architecture & Buildings - Town & Country Planning - Primary, Secondary & University Education - Tourism - Quality Control of Food & Drugs - Medical & Scientific Research & Development - Sporting Facilities - Youth Facilities; **ACCOMPANIED BY:** Selling Off of Public Assets - Mercenary Banking Services - Corrupt Pension Funds & Insurance Companies - Public Ignorance of Environmental Dangers - Public Obsession with Consumerism - The Consumer Debt Crises Out of Control - Intolerable Taxation - The Gluttony of Estate Agents & Valuers - Compromised Legal Profession - An Apathetic Royal Family - Complacency & Corruption of Members of Parliament & Government - Corruption of Law Enforcement & Adulteration of Policemen to Inland Revenue Collectors - The Complacency of British Corporate Management - Constrained & Deceitful Media & Public Information Services; **RESULTING IN INCREASED:** Unemployment, Terrorism, Military Action, Crime, Fraud, Fear, Stress, Sickness & Disease, Prescriptive & Illegal Drug Use, Alcohol & Tobacco Consumption, Corporate & Public Accidental Deaths, Suicides, Divorce, Unmarried Mothers - Domestic Violence, Child Abuse, Public Demonstrations and Riots, Inappropriate Punitive Legislation to Create a Climate of Fear & Suppression of Freedom - Obstructing & Interference from Government Agencies in Domestic & Business Life, Personal & Corporate Bankruptcies, Property Crash, Residential & Commercial Property Repossessions - Devaluation the Sterling Pound - Large Losses in Stocks, Shares & Bonds. First Published in April 2003. Drafted by Dr Jon Whale. Seaton Devon.
